Rain drops

Books for the taking  
- displayed on a  
neighbour's  
front lawn.

Machinery from  
a bygone era.

**Butter & Eggs**  
(*Linaria vulgaris*)

Stone Stack South Shore  
Ottawa River

**Hibiscus with  
Yellowjacket Wasp**  
(*Vespula pennsylvanica*)

**Milkweed seeds**  
(*Asclepias syriaca*)

**Fort Amherst**, at the entrance to St. John's Harbour, was built during WW II to defend against German U-boats. Two 4.7-inch B Mark IV guns remain in place. I took this shot in 1972.

**Portulaca** (*oleracea*)

**Aphids** - regular & magnified

The Atlantic Ocean from Signal Hill, St. John's NF, 1975. This is looking approximately south with the Cape Spear Lighthouse (barely visible) in the middle.

Below, Cape Spear early one morning in 1968.

**Beetle**  
foraging on  
*Butter and Eggs*

**Black Lady Beetle**  
(*Stethorus punctum*) on a  
**Santa Barbara Daisy**  
(*Erigeron karvinskianus*)

**Storm Clouds,**  
Mayfield Rd,  
Bolton, ON  
April, 2012

Sunset at Britannia Beach in Ottawa's west end

Behind Gerry and Debbie's cottage

### **Bees**

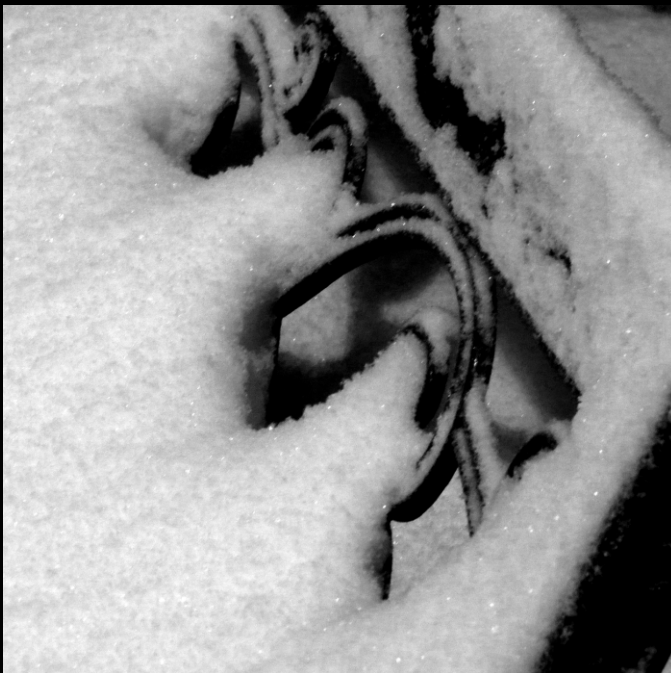

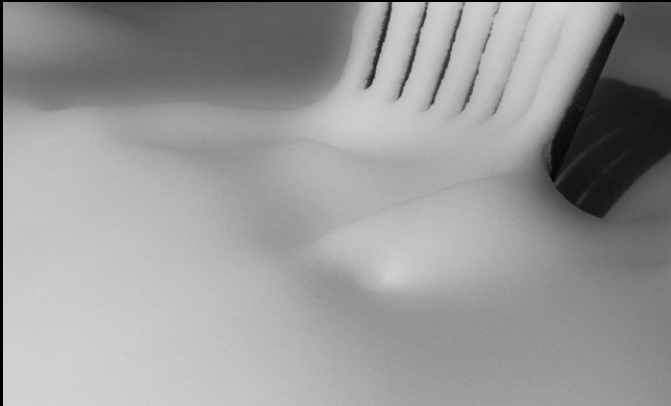

Upper left Bumble Bee has taken on a load of pollen.  
Upper right BB is sharing pollen with a Monarch Butterfly.

**Winter  
at  
Work**

**Ice**

**Not ice**
