

Observations of the day...

**This entire
“presidency” is like
being tied to a chair
and watching a
toddler play with
a loaded pistol.**

**In 1964, on the floor of
the U.S. senate,
Democrats held the longest
filibuster in our nations
history, 75 days.
All trying to prevent the
passing of one thing.**

THE CIVIL RIGHTS ACT

**ONE THIRD OF

ARRESTED FOR
TAKING

**ALL ARE DEMOCRATS ELECTED TO
FIGHT FOR THE AVERAGE CITIZEN.**

Population is 68 % black
police department is 68 % black
fire department is 58% black;
school district is 86% black
school teachers are 72% black;
city council is 90% black;

Mayor is a black;
chief of police is black;
54% of population is on welfare;

*and they believe the whites are
the reason they are living in
poverty*

Funny how the same people who
say that George Floyd's past
shouldn't be held against him,
are the very same ones holding
this country's past against
people who weren't even there.

Keep voting Democrat ... One day they will restrict your freedoms, restrict your history and restrict your safety. All in the name of professional victims that don't understand the consequences of their ignorance.

"Let's face it. Donald Trump is a rough individual. He is vain, insensitive and raw. But he loves America more than any President in my lifetime. He is the last firewall between us and this cesspool called Washington. I'll take him any day over any of these bums."

"I've tried to fix the economy for 8 years. Nothing can fix it. Trump can't fix it."

2020

"Corona didn't tank the economy; Trump did. Nothing can fix it now. Trump can't fix this."

Governments don't want well informed, well educated people capable of critical thinking. That is against their interests.

They want obedient workers, people who are just smart enough to run the machines and do the paperwork. And just dumb enough to passively accept it.

When socialist mobs took over
Venezuela ...

Statues were torn down
Citizens turned against each other
Street names were changed
Flags were redesigned
Police were murdered then disbanded
Churches and businesses were destroyed

In 1962, you could order guns from mail order catalogs by simply sending in a check.

There were no background checks, no license required, & no restrictions. Almost anyone could get a gun.

There were also ZERO mass shootings.

So it's not about the guns, it's about the people.

The fact that Joe Biden is even considering opening our southern border to a group of unvetted migrants in a massive caravan—in the middle of a pandemic, while millions of Americans are unemployed—tells you everything you need to know about Democrats' priorities.
